Cantex Announces Commencement of 2026 Drill Program North Rackla, Yukon

Kelowna, Canada – June 4, 2026 – **Cantex Mine Development Corp.** (TSXV: CD) (OTCQB: CTXDF) (the “Company”) is pleased to announce that it has started drilling at its 100-percent owned silver-lead-zinc-germanium North Rackla project in the Yukon.

Drilling Commences

Drilling has now started at the Massive Sulphide project in the Yukon. The program will include drilling aimed at expanding the strike length and depth extent of the silver-lead-zinc-germanium mineralization. In addition, newly discovered targets of anomalous gold and areas where prospecting has discovered high grade copper and silver-lead-zinc will be drilled on the large 14,077 hectare North Rackla property.

The technical information and results reported here have been reviewed by Mr. Chad Ulansky P.Geol., the President and CEO of Cantex and a Qualified Person under National Instrument 43-101, who is responsible for the technical content of this release.

Signed,

Charles Fipke

Dr. Charles Fipke, CM

Chairman

Information set forth in this news release includes forward-looking statements under applicable securities laws. Forward-looking statements are statements that relate to future, not past, events. In this context, forward-looking statements often address expected future business and financial performance, and often contain words such as "anticipate", "believe", "plan", "estimate", "expect", and "intend", statements that an action or event "may", "might", "could", "should", or "will" be taken or occur, or other similar expressions. All statements, other than statements of historical fact, included herein are forward-looking statements. By their nature, forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements, or other future events, to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. Such factors include, among others, risks identified in the management discussion and analysis section of the Company's interim and most recent annual financial statements or other reports and filings with Canadian securities regulators. Forward looking statements are made based on management's beliefs, estimates and opinions on the date that statements are made and the respective companies undertake no obligation to update forward-looking statements if these beliefs, estimates and opinions or other circumstances should change, except as required by applicable securities laws. Investors are cautioned against attributing undue certainty to forward-looking statements.
